Comment: Placed again when third at Eagle Farm last start, beaten just under seven lengths after racing wide throughout on soft ground. That was in mid-week company and he now finds an easier meeting, while his overall record of three placings from four starts gives him a reliable base. Top weight is the query, but he has the consistency to run into the money.

Comment: Finished fourth on debut at Sunshine Coast over 5f, beaten just over six lengths after sitting behind the leaders and failing to finish it off. The stewards noted he was slow to begin, but the run still left him with improvement to find. Has to find a sharper finish.

Comment: Returns from a one-month freshening after a solid second at Kilcoy, where he was beaten a length as the well-supported favourite despite knuckling on jumping and hanging out from the 2f. He has a placing at this distance and rates well off that first-up run. Some 6f query, but recent form gives him a winning chance.

Comment: Missed by only a head at this track last start, travelling strongly just off the lead and being pipped on the post over this trip. His only other run was in the Listed Dalrello Stakes at Eagle Farm on heavy ground, a much tougher assignment where he was unwanted in the market. Holds the strongest recent form and gets his chance to win.

Comment: Returns from a lengthy spell after finishing last at Newcastle in Open company on heavy ground, beaten over 11 lengths and unwanted in the market. His debut fourth at the Kenso was also a distant result in a small field, so the race form is still thin. Race form so far is well short, so major improvement is required.

Comment: Makes her debut after three trials, the latest a fourth at Gold Coast last month over 5f. That gives her some grounding, but there is no race-day evidence yet and the stable debut figures supplied are modest. Wide draw and no race form make her hard to assess confidently.

Comment: Returns from a lengthy spell after tackling the G2 Spirit Of Boom (Champagne) Classic at Doomben, where he was last, beaten just over eight lengths after beginning awkwardly. His debut third at Grafton behind Vantorix was better, though he started big odds there too. Grafton debut third gives some hope, but the G2 run was plain.

Comment: Returns from a lengthy spell for the Tony Gollan yard, with a Doomben trial last month giving her some readiness. Her Sandown-Lakeside debut can be treated with some leniency after she began slowly, was hampered shortly after the start and raced keenly. Drawn well and bred to improve, she looks a major threat fresh.

Comment: Was below her debut level when seventh at Lismore last start, beaten three and a half lengths after beginning awkwardly and failing to quicken in country grade. Her first run was much better, finishing second at Grafton at big odds after travelling well. Last start was flatter, so she looks more place than win.

Comment: Finished eighth at this track last start, beaten three lengths at long odds after beginning awkwardly and giving away a big start. She had been sixth at Doomben the run prior and now gets a 7lbs apprentice claim, while her 6f record includes two placings from four tries. Place hope, though Plan Of Attack beat her home recently.

Comment: Closed off better than the market expected when fourth at Sunshine Coast last start, beaten just over three lengths from a rearward position at long odds. The run prior was plain on soft ground, but she had been keen and wide. Still a place-leaning profile at 6f.

Comment: Returns from a six-week freshening after finishing last at Sunshine Coast, beaten over 14 lengths at big odds despite only minor interference being noted. His previous run was another distant last in Open company at Gold Coast, where he began slowly and made no impression. Others bring far stronger recent claims.

Comment: Returns from a one-month freshening after a plain second-last at Doomben, beaten just over eight lengths at long odds with no clear excuse. She was also safely held at Gold Coast first-up, giving away a start and only fair through the line. Third-up fitness helps and she has some ratings support, but her winless, unplaced record remains a major restraint. Looking to others for the winner.

Comment: Returns from a lengthy spell after ending last campaign well held at Sunshine Coast over 1 1/8m, when he faded late and was unwanted in betting. The start prior at Beaudesert was also poor, beaten over 11 lengths after racing wide throughout. A Beaudesert trial win is a useful sign, but his nine-start unplaced record makes this a tough task. Can't entertain.

Comment: Was better than the finishing position suggests when 11th at this track last start, beaten only three and a half lengths after beginning awkwardly and settling well back. He did lose to Plan Of Attack there, and his overall record of one placing from 13 starts is a serious knock. Long maiden record is the clear reservation.

Comment: Returns from a lengthy spell with a close second in a Gold Coast trial to suggest he is forward enough for this. He ended last campaign with a third to North Pole at Gold Coast on heavy ground after leading until the 3/4f, and his prior Doomben BM78 second to Shot Of Whiskey was beaten only half a length. Strong this track, proven at 6f and Chelsea Baker knows him well.

Comment: Closed off soundly from well back when fourth in saturday company at Doomben, beaten four lengths by Propaganda in a CG BM78 after being unwanted in the market and held up late. He had also been held up at Toowoomba in a BM80 two starts ago, so his margins this campaign are not hopeless. Place hope if he gets clear running, but the win edge is not obvious.

Comment: Had a genuine excuse when second last in saturday company at Doomben, with the stewards noting he raced wide throughout after being bumped shortly after the start. The start prior was a stronger guide, finishing third in a BM72 at Toowoomba and beaten just over a length by Superalloy. His Toowoomba third before that gives him a realistic place profile.

Comment: Battled on for fourth at Gold Coast Poly second-up, but was beaten nine and a half lengths after jumping awkwardly and covering ground when unwanted in the market. His previous run was a last of six in an Open at Gold Coast on heavy ground, beaten eight lengths. Has to lift sharply to worry the main chances.

Comment: Produced her best run of the campaign when third in a BM68 over 5f at Sunshine Coast, beaten just over two lengths after working home evenly despite some late difficulty getting clear. She was plain in a Class 6 at Eagle Farm before that, but this setup is kinder with weight relief and Tiffani Brooker back aboard. The strongest winning case.

Comment: Placed as favourite in a Class 4 at Gold Coast last start, finishing third to True Amor on soft ground after tracking the speed, though the beaten margin of just under four lengths tempers the strength of the run. She had earlier finished fifth in NMW grade after being slow away and closing off from well back. Honest enough for the placings, but must find more to win.

Comment: Ran fourth in a BM65 at Eagle Farm last start, beaten a length and a half in Saturday company on heavy ground after being hampered at the start and racing keenly. That followed a Doomben Mdn win over 6f, where he made up a stack of ground to beat Stellagracia. Peaking now and is ready to win again.

Comment: Has put three placings together this campaign and was close again in a BM65 at this track last start, finishing third to Swanfels over 1 1/16m and beaten just under a length. He was also third in BM65 grade at this venue the start prior at generous odds. Proven around 6 3/4f and drawn to get his chance, provided he finds a sharper finish.

Comment: Dual acceptor. Last start favourite; won by 1.3 len in a Mdn-Sw at Toowoomba on October 24 over 6 1/2f in heavy going defeating Spoilt Rotten with 126lbs at $4.60. The race before that gave a sight but was run down late 2nd of 8 in a Mdn at Toowoomba on October 3 over 6 1/2f, 0.7 len behind Turf Gazette carrying 132lbs at $3.60. This looks a tough assignment.

Comment: Had no obvious excuse when seventh in a BM65 at Eagle Farm last start, beaten seven lengths by Gaultier in Saturday company and finishing behind Astern Effort. His previous Eagle Farm third had more merit, with interference on the home turn and a held-up moment near the 1f. Better judged on the prior Eagle Farm third.

Comment: Draws barrier 1 with a first-time visor and 7lbs less than last start, so the set-up is kinder after his second in a CG BM58 at this track, beaten a length and a half by Azuki as an outside chance in betting. The Doomben Class 2 run before that was only fair through the line. More a minor hope than a clear win play.

Comment: Made the right improvement third-up when winning a Mdn at this track last start, coming from well back to beat Veomas by half a length after being hampered early. She had been favourite at Beaudesert the run prior and was held up leaving the 2 1/2f before finishing fourth to Langan. Form around her has already stood up, so she should be making her presence felt again.

Comment: Dual acceptor. Second-up. First-up after five months sat on the pace before fading 8th of 11 in a 0 - 55 at Gatton on October 16 over 5 1/2f, on a slow track; 5.5 len behind Rocky Blonde carrying 132lbs at $4.40. Previously second-up 6th of 9 in a 3yo Mdn-Sw at Gold Coast on April 4 over 5f, 6 len behind Hello Punters with 123lbs at $26. Find this too tough.

Comment: Returns from a four-month break after closing last campaign with a Rockhampton Mdn win over 1m, storming home from well back to beat Navy Kiss by just under a length. A Sunshine Coast Inner Track trial last month helps, but he is winless from four starts at this venue and has only two placings from five around 6 3/4f. Trial adds some readiness, but his 6 3/4f and track records leave him with work to do.

Comment: Resumed with a determined win over 7f at Gold Coast, settling back after jumping awkwardly and still arriving in a photo finish despite starting an outside chance in the betting. Her start prior was a plain last in a BM64 at Kembla Grange, but the fresh return was a clear reset. Barrier one gives her the right platform to win again.

Comment: Has the right historical credentials at this venue and trip, but the current form is difficult to recommend strongly. Finished fourth in a BM62 at this track last start, beaten just under five lengths at big odds, after being last at Gold Coast when unwanted in the market. Has to find a clear form lift.

Comment: Backs up quickly after finishing fourth in a BM62 at Dalby, beaten just under four lengths after being slow to begin and starting near the top of betting. Her prior third in a BM62 at this venue had merit, with stewards noting she was held up from the 1 1/2f before working into the placings. Strong place claims if she begins cleanly.

Comment: Comes back on a six-day turnaround after finishing sixth in a Class 1 at this track, beaten four and a half lengths at generous odds. The Doomben run prior in a Class 2 was also only fair, when second last and never a factor after settling well back. He is race fit and his time ratings give him some appeal, but the recent racing pattern leaves him more a place chance than a win play. One for the exotics.

Comment: Worked into the race when third in a country Class 1 at Grafton last start, beaten just over two lengths, with stewards noting he raced keenly and was bumped. That followed a Mdn win at Grafton where he led and held off Credibility by a long neck. The 1 1/16m record keeps him more place than win.

Comment: Was sent out favourite in a Gold Coast Class 1 and finished third, beaten five and a half lengths, after being bumped at the start and racing close enough before working home evenly. His previous second at Sunshine Coast was stronger, beaten only a head by Kobability after coming from behind. Proven at the trip and a key danger.

Comment: Third-up now after finishing seventh in a country Class 1 at Muswellbrook, beaten just over six lengths after settling back and only working home evenly. The Newcastle fourth two runs ago in a BM64 had some merit from generous odds, but this is her first try around 1 1/16m and she is unplaced in two runs this campaign. Capable of improvement, though the setup still asks a bit. Looking to others for the winner.

Comment: Was last of five in a Class 2 at this track over 1 1/4m last start, beaten over 11 lengths after being unwanted in the market and failing to come on. The Grafton run prior was only fair, beaten just under eight lengths over 1 3/8m after giving away a big start. Others bring stronger recent form.

Comment: First-time blinkers are applied and he does have a previous win at this track and distance, but the latest form is hard to overlook. Finished last at Gold Coast Poly, beaten over 15 lengths at big odds, after losing the rider at Sunshine Coast when tightened and blundering shortly after the start. A sharp turnaround is required.

Comment: Returns from a lengthy spell with a recent Toowoomba Inner Track trial win to bring him forward. He was last seen finishing last in the G3 Rough Habit Plate at Doomben, beaten over 14 lengths, after an eighth in the G2 Queensland Guineas when wide and still not far off the money. Proven at the trip and looks a strong fresh chance.

Comment: Second-up after finishing last in a Class 3 at Eagle Farm, where she settled well back and made only mild ground, beaten four and a half lengths at long odds. Her previous run in the G3 Gunsynd Classic was also plain, beaten over 14 lengths. Minor claims only if she lifts sharply.

Comment: Put a consistent campaign together by winning a Mdn at Toowoomba on heavy ground last start, beating Spoilt Rotten by a length and a half as favourite after leading and finding strongly. He had been second to Turf Gazette there the run prior despite beginning awkwardly. Rising in grade, but the campaign is building well.

Comment: Progressed again when winning a FM Mdn at Eagle Farm last week, beating Spirit Falls by a length and a half after kicking clear on heavy ground. She had earlier run second at Doomben after travelling well and being held up around the home turn. First 6 3/4f try is the query, but she profiles as the one to beat.

Comment: Worked home evenly when fifth in a BM65 at this track last start, beaten just over two lengths after being near the top of betting. She was also fifth in a BM70 at Toowoomba as favourite, where an awkward start and early wide run did not help. Back to this trip, she has clear place appeal.

Comment: Returns from a five-week let-up after closing off from the rear for fifth in a BM68 at Sunshine Coast, beaten three and a half lengths at an outside price. He had made late ground in a Class 4 at Beaudesert before that, with stewards noting he was steadied. Distance record is the concern, so he profiles as a place hope.

Comment: Led throughout on debut in a Toowoomba Mdn over 6f, holding off Coup De Cash by just under a length as an odds-on favourite. He now has to transfer that to BM60 grade and around 6 3/4f for the first time, which is a fair step for a lightly raced three-year-old. New trip and BM60 grade ask more, but he has upside.

Comment: Second-up after an eighth in a BM55 at Gatton, where he began awkwardly, moved into it and then weakened to be beaten five and a half lengths despite market respect. His previous run was a sixth in a BM60 at the same venue, beaten over 19 lengths as favourite. Others appeal more.

Comment: Went close at Toowoomba last start, finishing third and beaten just over half a length after being slow away, keen and steadied in the run. His prior sixth in a BM65 was only fair, though he again had some late interference. The 6 3/4f record is a query, but he is in the place mix.

Comment: Had excuses when fifth at Eagle Farm last start, racing wide before finishing beaten just under six lengths in mid-week company that reads a little stronger than this. His Newcastle run prior was plain when last and beaten over 15 lengths in a BM72, so the recent form is mixed. Place claims look fairest.

Comment: Returns from a five-week freshening after finishing sixth at Sunshine Coast in a Class 5, where he raced wide throughout and was bumped on the home turn. That gives him some leeway, but he was unwanted in betting and had also been well beaten in a BM70 at Toowoomba. His two-from-two record at this track and distance is the main counterpoint, though he still has to lift sharply. Prefer others at this stage.

Comment: Has built a strong campaign, winning a BM58 at Gatton two back before finishing third there as favourite behind Igotmymindonyou, beaten two and a half lengths after jumping awkwardly and hanging in. He has won around this distance and is backed by a strong Ben Thompson-Jack Bruce track profile. Wide draw aside, he is a strong winning chance.

Comment: Brings the winning form, having beaten Scartoon by just over a length in a BM65 at Toowoomba after scoring by the same margin in a BM58 at Gatton. He has three wins from six starts around 4f and Kyle Wilson-Taylor is back after winning on him last start. Proven around 4f and rates as one of the main chances.

Comment: Returns from an eight-month break after ending last preparation with a sound fourth at Sunshine Coast, beaten just under three lengths after making ground late. Her previous run was a narrow BM62 second as favourite, so there is enough substance in that form. The 4f is new, but she has enough quality for the placings.

Comment: Returns from a six-month break after ending last preparation with a last placing at Gold Coast, beaten just under seven lengths at long odds with no clear excuse. The Rockhampton third prior came in Open grade, and his record includes three placings from four starts around 4f. Last run was plain, so a placing looks the right target.

Comment: Returns from a five-week let-up off two narrow seconds and looks ready to win third-up. He was beaten a long neck by Tara's Reward at Gatton in a BM58 after going under by a neck at Thangool, and both runs were well found in betting. Third-up with weight relief and the best recent profile, he looks the one to beat.

Comment: Returns from a five-month break after two heavy defeats, the latest when last at Kilcoy in a BM62 and beaten over 12 lengths despite racing wide. The run prior at Toowoomba was also well below her best. Her record with Hannah Richardson is a positive and she has a win and two placings around 4f, but she must rebound strongly to be more than a place hope. Can't recommend.

Comment: Has returned in good order, finishing third in a BM58 at Gatton before chasing home Igotmymindonyou in a BM65 at Toowoomba, beaten just over a length. She has placed at all three starts around 4f and has also placed at this track. Reliable at 4f and right in the race.

Comment: Returns from a six-month break after ending last preparation with a narrow Mdn win at Gatton as a prohibitive odds-on favourite, despite racing wide. She had earlier run a close third at Toowoomba after covering ground. The early record is tidy, but this asks her to bring that Mdn form into a deeper race. Has upside so is worth keeping onside.

Comment: Returns from a lengthy spell after more than a year off and has at least won a Deagon trial to suggest some readiness. She was last at this track in a BM68 when last seen, beaten seven and a half lengths at long odds, though she had placed at Dalby prior. Proven at 4f, but the long break and plain latest race form temper confidence.

Comment: Returns from a five-week let-up after a fair fourth in an Open at Dubbo, beaten just over two lengths, but that was country grade and this is harder company. Her Wellington run prior was poor when beaten over 11 lengths at big odds. She gets weight relief and has two wins at this distance, yet current form still leaves her short of the main chances. Looking to others.

Comment: Returns from a five-week let-up after breaking through in a Gatton Mdn, beating Bar Star by just under a length when near the top of betting. That was a welcome response after a poor Eagle Farm Mdn run where she was unwanted and beaten eight and a half lengths. She has placed at this distance, but a CL3 now asks for another clear step forward. Prefer others.

Comment: Returns from an eight-month break after two plain Warwick runs, finishing last in a BM60 then second last in a BM62 at big odds. He has had a Toowoomba Inner Track trial last week, which gives some fitness context, but he is unplaced from three attempts at the distance and from two starts at this track. Unplaced at both the track and distance, so others make more appeal.
