**Comment:** Comes through the key Murray Bdge form line after finishing third to Swan Dance, beaten just under four lengths on soft ground, when he jumped awkwardly but worked home evenly. The start prior at Strathalbyn was similar, finishing fifth to Rich Melody after racing keenly early and not quite finishing off. The trip still asks a question, but race fitness gives him a strong winning case.

**Comment:** Was safely held at Murray Bdge last start, finishing second last to Swan Dance and beaten over 19 lengths after settling well back and making no impression. His Balaklava third two back was much better, closing into a placing at generous odds, and he has placed two times from three starts at this track and distance. Must rebound sharply from a long maiden record.

**Comment:** Improved sharply second-up at this track, finishing second to Mr Ribtickler over 7 1/2f after settling back and travelling well into the race, despite being unwanted in the market. That was a clear step back in the right direction after he was beaten over 11 lengths at Mildura two back. New distance is the query, but he has a solid place profile.

**Comment:** Has found the line of consistency this campaign, finishing second at Halidon before another second to Swan Dance at Murray Bdge last start, beaten just under two lengths. He was near the top of betting there, had Ateyate behind him, and has placed three times from four starts overall. Third-up now and brings the clearest winning profile.

**Comment:** Finished second last at Strathalbyn over 6f, beaten over 11 lengths, after being bumped at the start and making some ground from well back without ever threatening. His previous run at this track was more encouraging, beaten two lengths after beginning slowly and picking up nicely late.

**Comment:** Made her debut at Strathalbyn and finished second last behind Pure Pelt, beaten over 18 lengths, after being checked and racing wide from the 6f. Those incidents give some context, but she was big odds, settled rearward and made no late impression. Sharp improvement required second-up.

**Comment:** Worked home from well back when sixth to Swan Dance at Murray Bdge last start, beaten just over eight lengths after being tightened soon after the start and laying out in the straight. Her Halidon run prior was plain, also beaten just over eight lengths at long odds, so the winning case is not obvious. Still winless and out of form, but third-up fitness keeps her in the place mix.

**Comment:** Placed first-up at this track when third behind Oasis, beaten a length as a well-supported favourite after settling back and closing nicely. He did race keenly and laid in, so there was still room to do things better. The prior fourth on heavy ground at this venue was sound enough, and two placings from three tries around 6f support the distance. Wide draw is the query, but he rates highly.

**Comment:** Returns from a one-month let-up after finishing second last at this track, beaten just under three lengths when unwanted in the market. He was slow away and raced keenly, but the margin was not as bad as the position suggests. The start prior at Naracoorte was much weaker, beaten over 16 lengths at long odds. Claim helps for minor money.

**Comment:** Finished eighth at this track first-up, beaten just over four lengths after being close enough on the turn before fading, with late interference adding some context. His Donald run before that was plain, beaten over 12 lengths on soft ground after beginning awkwardly. A minor-money hope rather than a standout.

**Comment:** Worked home evenly for fourth at Murray Bdge last start, beaten two and a half lengths by Katrina's Legacy, and that gives her a much better platform than the Morphettville ninth two back. First go at 6f, but this looks her chance.

**Comment:** Finished sixth at Penola first-up, beaten over 11 lengths in country company after beginning awkwardly and settling well back. This is a harder meeting, and the start prior at Strathalbyn also came at long odds when ninth behind Tenterk. Others have stronger claims.

**Comment:** Returns from a five-week freshening after a debut fourth at Strathalbyn, beaten seven lengths by Make Me A Match, where she jumped awkwardly but still made solid inroads. That was only one race start, so there is natural upside, and the 7lbs claim is useful. Claim and stable profile keep her in the mix.

**Comment:** Comes through two sound fourths, most recently in a BM56 over 5f at Murray Bdge when beaten just over two lengths after settling midfield. The start prior at this track had more merit than the margin, with stewards noting he was steadied and hampered before finishing just under two lengths from Kayla Kruzen. The quick back-up is the query, but he has place claims.

**Comment:** Broke through in a Mdn at this track last start, coming from rearward after being slow away and beating Little Rocket by a neck at big odds. That was a sharp contrast to his debut at Murray Bdge, where he was also slow out and beaten ten lengths on soft ground. Could go on with it.

**Comment:** Returns from a lengthy spell with two trials since last raced, which gives some fitness context for this first-up assignment. He was fourth in a BM56 at Mildura at his final run before the break, beaten five and a half lengths after racing wide throughout, and had earlier struggled in a BM66 at Morphettville Parks. Forward showing would not surprise.

**Comment:** Has been knocking on the door, finishing fourth at this track last start when beaten just over a length after settling back and failing to quicken. Her previous second here was stronger, as she was well-supported favourite, raced wide and was held up before closing strongly behind Kayla Kruzen. Proven at 6f and looks a major chance.

**Comment:** Returns from a one-month freshening after finishing sixth at this track, beaten two lengths, when unwanted in the market and only fair late. She had been safely held in a BM64 at Murray Bdge the start prior after beginning awkwardly and covering ground. Better than her BM64 run two back, but her 6f record keeps her to an outside chance.

**Comment:** Had excuses at Strathalbyn last start, racing keenly and wide throughout before finishing second last in a BM56, beaten just under nine lengths. The run prior at Balaklava was also limited, though he had some difficulty getting clear near the 1 1/2f. Only a rough place hope if he rebounds.

**Comment:** Gets back to her most persuasive set-up second-up, with one win and two placings from four starts at this track and distance. Her first-up tenth in a BM58 at Balaklava was plain and came without an obvious excuse, while the heavy-track run before that also reads poorly. First-up run was plain, but she gets her chance.

**Comment:** Has been unable to break through in eight starts and was again well held in a Mdn at this track last start, finishing sixth behind Oasis after being close enough at the turn. His previous Balaklava run was weaker, beaten just over nine lengths at long odds. Weight relief helps, but others appeal more.

**Comment:** Placed in BM56 grade at both runs at this track, most recently third over 1 1/16m when beaten just over a length after covering ground and finishing strongly. He was also solid over 7 5/8f the start prior, so the local form reads well for a Class 1. The new 1 5/16m is the query, but his local form makes him the one to beat.

**Comment:** Racing well and comes off a Strathalbyn second in BM56 grade, beaten just under three lengths after racing wide early and hanging in on the home turn. The Balaklava fifth before that was sound enough from the market's fringe, and he now returns to a venue where he is one from one. Returns to a venue where he is unbeaten and looks a major winning threat.

**Comment:** Second-up after finishing last at Morphettville in Saturday company, beaten eight lengths at long odds after beginning awkwardly, racing wide and keenly. The move to an easier meeting helps, and he has a previous win around this distance, but the latest effort still leaves him with plenty to repair. Has to lift sharply.

**Comment:** Finished ninth in a BM54 at Halidon last start, beaten just over eight lengths after having her chance, and this is a harder meeting. The Murray Bdge run before that was weaker again, with Tottori beating her by 25 lengths in BM56 company after she was close enough at the turn. Has placed around the trip, but others look far more convincing.

**Comment:** Lightly raced mare who was sixth in Saturday company at Morphettville last start, beaten six and a half lengths after settling back, covering ground and being tightened in the straight. Her Strathalbyn Mdn win two runs ago had merit, coming from rearward at big odds to beat Polar Eyes by a head. Better placed after a Saturday-company run, with barrier one helping offset the trip query.

The Balaklava fourth before that was better, beaten just over a length, and she beat No Mans Land there about three weeks ago. Place hope with the claim.

**Comment:** Has been safely held at her past two, finishing tenth in a BM54 at Penola last start when beaten over 10 lengths at long odds, with interference noted but no real late threat. The Murray Bdge run prior was similar, second last and unwanted in betting. Prefer others.

**Comment:** Third-up and building nicely after a Strathalbyn Mdn third, beaten a neck when near the top of betting and held up near the 2f before working home evenly. She was also respectable at this track the start prior, beaten two and a half lengths after beginning slowly. Still a maiden in a Class 1, but her third-up profile gives her place claims.

**Comment:** Dropped out after leading at Strathalbyn last start, finishing tenth and beaten just over six lengths on soft ground after hanging around the home turn. His previous Class 1 sixth at Balaklava over 1m was more competitive, and he now comes back to a distance where his overall record shows three placings around 5 1/2f. Can atone.

**Comment:** Returns from a lengthy spell after ending last campaign with a last placing in Class 2 at Morphettville, beaten ten lengths on heavy ground after settling back and covering ground. His start prior was a third at this track as favourite, and he is a proven track-and-trip winner with a useful 4lbs claim. Track-and-trip winner and the 4lbs claim help, though the last run was poor.

**Comment:** Returns from a lengthy spell with two trials behind her, the latest a third at Murray Bdge, so there is some readiness in the profile. She was ninth at Balaklava before the break, beaten just over six lengths after settling well back and covering ground, following a plain sixth at Strathalbyn. Last campaign ended flat, but she can improve enough to chase a place.

**Comment:** Had a genuine excuse at Penola last start when wide throughout in a BM68, yet she still faded to seventh after being near the top of betting. The Morphettville run prior was also safely held at long odds in BM68 grade. In the mix on best.

**Comment:** Comes through stronger BM64 form, finishing sixth at Morphettville last start when beaten just under three lengths after making ground from a handy spot. She had also tried hard at Murray Bdge when fifth by a similar margin in FM BM64 grade. Brings the strongest recent form and looks the one to beat.

**Comment:** Has been well held in two runs this campaign, most recently ninth at Strathalbyn when beaten eight and a half lengths after settling rearward and making no impression. The Balaklava run prior was weaker again, with an over 12-length defeat when unwanted in the market. Needs to find more.

**Comment:** Returns from a three-month break after two trials and has to reverse a moderate end to the last campaign. He was seventh at Mt Gambier before the spell, beaten five and a half lengths, after only battling when asked, and his prior BM52 fifth at Port Augusta was also safely held despite market respect. May need the run.

**Comment:** Worked home without threatening when fourth at Penola last start, beaten five lengths after beginning slowly, and that followed a Class 2 seventh at Morphettville where she was big odds and again slow away. She has won around this distance, but the good-track record is poor and the early manners keep putting her under pressure. Prefer others.

**Comment:** Produced a solid third at Strathalbyn last start, beaten just under two lengths after travelling well and sticking on despite racing keenly. His previous fifth at this venue had more merit than it reads after interference and being held up at the 1 1/2f. Track-and-trip winner who profiles as a genuine place chance.

**Comment:** Made the expected breakthrough as a dominant odds-on favourite in a Mdn over 7 1/2f at this track, sitting handy before putting three lengths on Mizzen Jib. He had been solid here on soft ground the start prior when third, beaten just over half a length after racing wide. The longer trip is the query, but he brings a strong profile.

**Comment:** Eases back from Saturday company after leading at Morphettville on soft ground and tiring to finish tenth, beaten five and a half lengths by I Am Ralph. His run prior at this track was much better, finishing third as favourite behind Taupo Tiger over 7 1/2f. His local third reads well, but the new trip keeps him in the place bracket.

**Comment:** Comes here on the quick back-up after a brave third at Swan Hill, beaten just over half a length by Habitual after leading and only being caught late. That was a good response to a plain BM64 run at Morphettville where she was favourite but covered ground and made no impression. Despite the stronger task, she looks the one to beat.

**Comment:** Put himself right into the race with a good second in a BM56 at this track, beaten a length by Win To Retire after covering ground and laying in late. His previous fifth in a Class 1 over 1 5/16m here was only fair, but he has placed at this distance and is rated highly on time figures. The class rise is there, but he can win.

**Comment:** Was not far away at long odds in the same BM56 at this track, finishing fourth behind Win To Retire and less than two lengths from the winner after picking up well. That followed a narrow Mdn win over 1m at Balaklava when near the top of betting. Has place claims, though others look sharper late.

**Comment:** Comes off a well-earned BM56 win at this track, beating Empirestateofmind by a length after finishing strongly through the line. She had also gone close at Balaklava the start prior, finishing third to Synthesise and beaten a long neck in Class 1 grade. Barrier 11 is awkward, but her form is reliable.

**Comment:** Was plain first-up at Balaklava in a Class 1, finishing seventh of eight and beaten five and a half lengths after settling rearward and making no impression. She does have a Mdn win at this venue on her record and the winning rider is back aboard, but that latest run at long odds was short of the mark. Has won at this venue, but the latest run leaves her with plenty to find.

**Comment:** Drops back from Saturday company after finishing eighth in a Class 1 at Morphettville, beaten just under four lengths on soft ground after settling rearward and failing to quicken. She had won a Mdn at Halidon as favourite the run prior, but that was over 6 f and this is her first attempt around 1 1/16m. First try at the trip and improvement is required.

**Comment:** Was second last at Strathalbyn in NMW1Y grade, beaten over 11 lengths after being unwanted in the market and giving ground badly late. His prior sixth in a BM56 at Balaklava was also only fair after leading and working home evenly. The 3lbs claim helps a little, but he has plenty to turn around.

**Comment:** Finished tenth in the BM56 won by Win To Retire at this track, beaten just over six lengths after being handy enough but unable to challenge. His prior Halidon sixth had more merit, making ground from the back before being steadied late, yet he is unplaced from three starts both at this track and at the distance. Blinkers come off, but others appeal more.

**Comment:** Improved sharply at this track last start when fifth in a BM56, beaten just under two lengths by Win To Retire despite being unwanted in the market. That was a clear step on his well-held last at Halidon, where he weakened out of it in poor style. Still has a class rise and long win drought against him.

**Comment:** Eased back from Saturday company after a costly BM62 failure at Morphettville, where he started favourite but raced keenly, was forced wide and finished last, beaten over 13 lengths. His start prior in a BM64 was much better, fifth to Regal Ripper and beaten two lengths. Prior BM64 fifth reads well enough to give him place claims if he settles.

**Comment:** Backs up quickly after a fair sixth at Murray Bdge, where he sat close enough but lacked the dash to threaten. His Halidon BM52 win the start prior was stronger, beating Lysander as favourite, and he also beat The Ice Cutter there. Sets the standard and can bounce back.

**Comment:** Drops from a Class 2 at Murray Bdge after finishing second last, beaten five and a half lengths, though he was slow away, bumped and held up late. The start prior in a BM66 at Mt Gambier was only fair, beaten six and a half lengths after settling back on soft ground. Has to lift sharply.

**Comment:** Resumed with a sound fifth in a Class 1 at this track, beaten just under two lengths after working into the race before flattening late. Her previous run was a BM68 at Morphettville in heavy ground, so this BM56 looks more suitable second-up. The 7 5/8f record is the query, but she can run into a placing.

**Comment:** Eased from Saturday company after a solid Class 1 third at Morphettville, where she was beaten a length and a half at long odds and struck some interference in the straight. Her BM64 run over 1 1/8m the week before was plain, but this distance suits better on her record. Looks one of the main dangers despite a wide draw.

**Comment:** Was a beaten favourite at Balaklava last start, finishing second last and beaten over 13 lengths, but the run had clear excuses after he jumped awkwardly, was hampered and raced wide throughout. His previous seventh at this track was better than it looks, beaten two and a half lengths after making ground from well back. A rough place chance if the gear switch sparks improvement.

**Comment:** Eased from Saturday company after leading in a Class 1 at Morphettville and fading to fifth, beaten just over six lengths. She had earlier run third in a small Class 1 at Balaklava, again leading before being collared, so the pattern is honest but not yet convincing late. Honest enough for a place, provided she finishes off better than last start.

**Comment:** Closed into third at this track in a Class 1 last start, beaten a length, and the rise back to 7 5/8f is supported by her record: one win and three placings from four attempts around this trip. She was also not far away at Murray Bdge two back despite starting favourite and meeting some trouble. Last-start third says she is ready.

**Comment:** Steps up from country company after a Penola third that still saw him beaten just over seven lengths, with a lost rein or whip issue late adding some context. His previous fourth at Mt Gambier was more competitive, beaten two and a half lengths, but he is still a one-win horse from 28 starts. Jockey booking helps, but this looks a tougher ask.

**Comment:** Rises from a country BM52 after finishing eighth behind Immortal Spirit at Halidon, where he began slowly and was only fair late. The run prior at Strathalbyn was better, beaten just under two lengths after being hampered at the start and laying out. Strong enough at this venue to be a danger.

**Comment:** Comes off a quick back-up after a Class 2 seventh at Murray Bdge, beaten three and a half lengths, when he raced keenly and was swamped late. The Balaklava run before was poor, last and beaten over 15 lengths, so there is still a reliability concern.

**Comment:** Was plain at Strathalbyn last start, settling close enough but not quickening when seventh, beaten three and a half lengths, and the market gave little encouragement. Her Jamestown third two runs back was more competitive, though still at generous odds. Capable of filling a hole if she finds more dash.

**Comment:** Returns from a one-month freshening after being well held in a BM60 at this track, finishing second last and beaten over 14 lengths at long odds. Her Balaklava run before that was also plain, eighth and beaten just over eight lengths after having her chance. Class drop helps only so much; recent form is well short.

**Comment:** Has been a long way off them at both runs this campaign, finishing last in a Class 1 at this track last start and beaten over 13 lengths at triple-figure odds. The Port Augusta run prior was even weaker, last and beaten a long way after making no impression. Hard to recommend.

**Comment:** Backs up after finishing last at Murray Bdge, beaten over 17 lengths at big odds, with no evident excuse after settling well back. His previous Balaklava eighth was also modest, beaten seven and a half lengths and again unwanted in betting. Others make far more appeal.

**Comment:** Returns from a four-month break after ending last preparation with a well-beaten last at Morphettville, where she was unwanted in the market. Her earlier Balaklava fifth on heavy ground was more respectable at long odds, but she has been unplaced in all twelve starts in the past 12 months. Race form is still thin, so she must improve plenty.
